

Naperville Newcomers and Neighbors Club Sponsorships

About the NNNC

The Naperville Newcomers and Neighbors Club (NNNC) is a non-profit social organization of 400+ people. The Club welcomes newcomers to the community as well as long time residents who want to enrich their lives. We offer over 40 activity groups and events to women, couples and men. The NNNC provides many opportunities to volunteer, learn, have fun, make friends and give to the community. Each year, the NNNC raises money to support three local charities and the NNNC Scholarship Program, which awards two scholarships to graduating seniors from Naperville high schools.

The Naperville Newcomers and Neighbors Club is grateful for all the generous donations from businesses over the years. The NNNC is partially funded by these donations and without them, the support we give the community would be lessened.
